

**MAY 2018**

It's our greatest desire to see the Intercultural Ministries department working in unity to reach every diverse group in America with the Gospel. We enjoy reading newsletters and hearing the great things that God is doing in each of your ministries.

We pray God is growing the seeds you've planted and blessing you as you serve Him in mighty ways!!

When you send newsletters to your donors, be sure to add Intercultural Ministries to your list! We enjoy reading about what you're doing in ministry. This is a great way to keep us informed--we can also use this information to answer donor inquiry phone calls.

Please send ONE copy--print or e-news. We will be sure to share the newsletter with the IM team.

Our Intercultural Ministries team meets every morning for a time of prayer. We lift up our missionaries, US Missions staff, and team needs during this time. We want to be able to agree with you in prayer for whatever your needs may be! Our God is ABLE!

Contact Drue at the office to share your prayer needs with our team. 417-862-2781 EXT. 3258 or

## Important Information

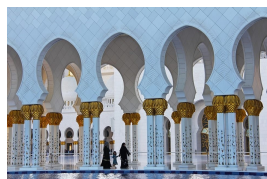

US Missions was informed by AG Contributor Services that we can no longer receive donor credit card information by email or fax. Please have the account holder direct their donors to Giving.AG.org or they can call contributor services direct on the toll free# 877-840-4800 to make a donation. This has become necessary to keep us with PCI Compliance.

We have removed the credit card information from our faith promise forms. You should not receive credit card information from donors at any time. This will not only protect your donors but you as well.

Our Media Network Coordinator, Alicia, works hard to promote our missionaries. Below you will find a few of her most recent posts/leads on our Intercultural Ministries missionaries. Take a look at what's going on in the ministry! We'd love to promote your ministry as well.

Contact Alicia if you have exciting events and outreaches going on. She'd love to talk with you about sharing your ministry!
