CONNECTING

WITH INTERCULTURAL MINISTRIES

Wayne Huffman, Senior Director

Greetings from Springfield,

We pray you are doing well and the Lord is blessing you.

The Intercultural Ministries staff has experienced a number of changes since our last connection newsletter. Our team is so excited to work with you and support you in your ministry. We want to introduce you to each member so that you would be familiar with names, faces, and the responsibilities we each hold.

Senior director, Wayne Huffman, is pictured to the right along with his wife, Drue. Wayne and Drue are long-term career missionaries with the Assemblies of God.

Having served as missionaries, the Huffmans understand the needs of missionary families and stand ready, in this new assignment, to walk alongside them to further the cause of Christ amongst the unreached in the USA.
